Cllr. Paul Miller advised members that he had been part of the Committee reviewing this document at Basingstoke & Deane Borough Council. His recommendation was that this was a draft strategy and had little impact at Parish level. It was therefore agreed that the Parish Council should thank Hampshire County Council and Basingstoke & Deane Borough Council for the opportunity but had no comments to make.

ACTION POINT: CLERK TO RESPOND TO CONSULTATION

The Parish Council's third quarter accounts were noted. Cllr. Fryer advised that the balance of expenditure over income is showing a small loss for the year so far (£356.81) but this is acceptable because of the accumulated funds brought forward. He advised that the Parish Council should be mindful that S.106 monies allocated to Chineham are coming to an end and that S.137 grants to local groups and organisations should be considered carefully. The Assistant Clerk informed members that there may be some expenditure required for the allotment site regarding new padlocks/keys.

13. To receive an update from the Chair of the Recreation Committee.

Cllr. Andy Clarke advised members of the following updates:

- The Recreation Committee has agreed the plans for the replacement bridge over Petty's Brook in Tollhouse Meadow in preparation for the works to be carried out in the spring.
- Hanmore Road playground refurbishment - BDBC Legal and Property Services Teams are now both involved, and have been giving advice regarding the neighbouring premises and water discharge points which are still evident through the retaining wall bordering the site. BDBC advise that they are close to a resolution on this, and will be writing to the neighbours to advise their position. The next steps, which they hope to arrange swiftly, will be:
 - i. To undertake some site clearance and fencing works to open up and secure the rear of the site. They will use the BDBC Operations Team as well as a landscape/fencing contractor for this work.
 - ii. To issue the tender. This should be out by the end of January.
- Seats in the Parish requiring repair. Following a review by the Rapid Response Warden last August, we have asked the Parish Lengthsman to quote for repairs to those identified as being in a poor condition (seven seats). We are currently awaiting his quote for the work. CPC agreed an initial budget of £500 in September 2018.

14. To note the minutes of the Planning Committee Meetings held on 4 and 10 December 2018.

The minutes of the Planning Committee Meetings held on 4 and 10 December 2018 were noted.

15. To receive an update from the Chair of the Planning Committee.

Cllr. Paul Miller advised members that the developer of the Chineham Shopping Centre had met with the Planning Officer at Basingstoke & Deane Borough Council. There are five pages of comments (e.g. position of bus stops, access points etc.) from Hampshire Highways on the proposed development and therefore the process has been delayed. Cllr. Miller also advised members that he had met with Dr Cooper at the Chineham Medical Practice who now have 13,400 patients. There is a move within the NHS 10 year plan to consider large practice "hubs" that will also deal with some services currently dealt with in hospitals and also include community nursing practitioners. Cllr. Miller confirmed that there are on-going discussions but there is a need for a new location for the practice. He acknowledged that the site included within the developer's plans for the Chineham Shopping Centre for a healthcare facility would not be acceptable because of patient access issues.

16. To confirm the date of the next meeting of Chineham Parish Council – 11 February 2019.

The next Full Council Meeting will be held at 7.45pm on Monday 11 February 2019.
