6. Planning Administration

Cllr. Miller provided an update from the Borough Council.

The Planning Inspector has allowed the Dixon Road planning appeal and the Borough Council has decided not to appeal the Inspector's decision. The Planning Inspector has placed eight pre-commencement conditions on the application and these are currently being considered by the Borough Council.

Cllr. Miller advised that all Development Control Committee members must undertake mandatory training each year and this is about to take place at the Borough Council. He advised that they may be running some more training for Parish Councillors new to planning. Both Cllr. Adams and Cllr. Giles will be nominated for this training.

Cllr. Miller advised that the process of reviewing the Local Plan is about to begin. The deadline for completion is 2021 and for final approval in 2022.

6.1 To receive an update on compliance & enforcement issues
