

Proposals for new homes at Sherfield Hill Farm

Come and see us!

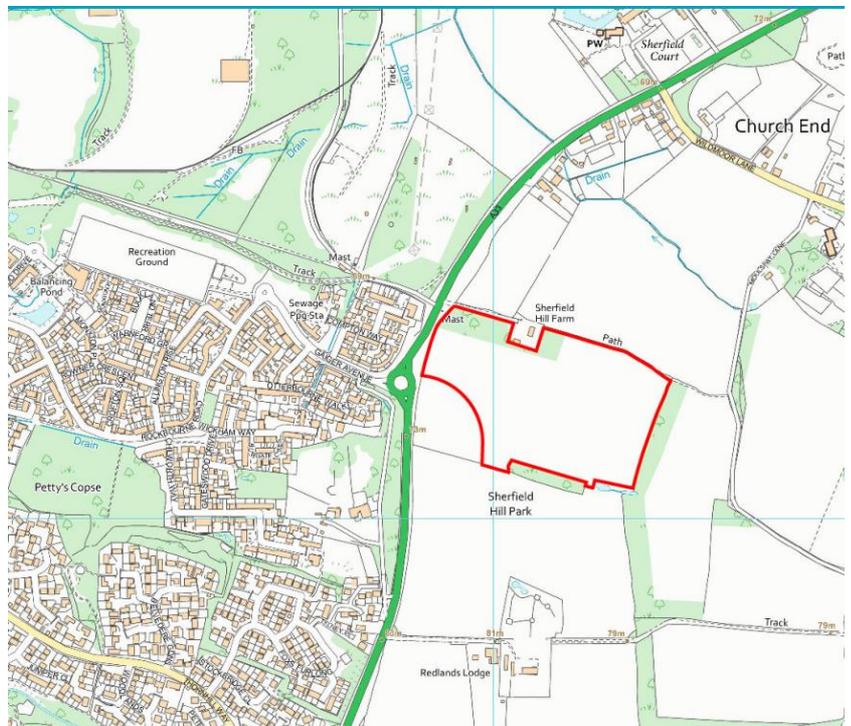

Prior to submitting an application for land at Sherfield Hill Farm, we are keen to share our proposals. Please join us in person for our exhibition:

When:
Tuesday 14th December, 14:00 to 19:00

Where:
Sherfield on Loddon Village Hall

The proposals

- 186 new homes at land at Sherfield Hill Farm to support local needs.
- 74 of the 186 will be affordable homes, including homes for first time buyers and people looking to stay in the local area.
- Located close to facilities in Sherfield Park, Chineham and Basingstoke.
- Connections to cycling and walking routes.
- High quality housing within a sustainable development.
- A sustainable new community, with electric vehicle charging points on site.

making our homes,
our workplaces and
the wider environment
a better place

Land at Sherfield Hill Farm

Dear Resident,

We are writing to you as a member of the local community to let you know about our emerging proposals for new homes on the land at Sherfield Hill Farm, north of the approved Redlands development.

With a recognised need for more homes across the Borough of Basingstoke and Deane, this site offers the opportunity to provide 186 new homes, 74 of which will be affordable for local people.

As a residential developer who has spent 85 years providing quality homes for local people, creating new communities and adding to existing ones, we have a track record of delivery. But we also value the input and contribution of the local community before any application is submitted.

You can get involved in the application in a number of ways:

Visiting www.miller-sherfield.co.uk for more information.

Meeting us in person for our physical exhibition on Tuesday 14th December – we will be at Sherfield on Loddon Village Hall between 14:00 and 19:00.

Contacting us if you have any questions at this stage - please call 0800 148 8911 or email info@miller-sherfield.co.uk, or write to the above freepost address.

Submitting your feedback, using the feedback form accompanying this newsletter, which has been prepared for those who have attended the exhibition on 14th December. Please note that the deadline for registering your feedback on the proposals is **Friday 7th January 2022**.

We look forward to working with you in the weeks and months ahead.

Yours,

Miller Homes.
