

CHINEHAM PARISH COUNCIL GRANT AWARDING POLICY

Chineham Parish Council sets aside a sum of money each year to be awarded in grants to organisations for projects that will be of benefit to the residents of our Parish. This policy document has been drawn up to demonstrate a fair and transparent process for grant awards.

To qualify for a grant, an organisation must first complete a grant application form and submit it to the Parish Clerk. The applicant must be able to demonstrate that any funding provided by the Parish Council will be of benefit to the Parish or its inhabitants. The Parish Council will not normally make grants to organisations outside of the Parish unless it can be demonstrated that there are direct benefits to the Parish. Applications should be for 'one-off' grants which will not result in recurring expenditure to the Parish Council.

Other factors that the Parish Council will take into account when considering a grant application include;

- Whether the Parish Council has the power to make this grant
- Whether the applicant has demonstrated some degree of fundraising on a "self-help" basis
- Whether the applicant has applied to other bodies for funding for the same project

The Parish Council will consider grant applications at Full Parish Council Meetings. Where possible, grant applications will be considered by the Finance Committee in the first instance. A calendar of meetings can be found on our website at www.chineham.gov.uk or by contacting the Clerk on 01256 474500. Grants can only be awarded by resolution of the Full Council and are dependent on the availability of funds and the suitability of the application. Grants will not be made retrospectively and cannot be made to individuals.
