The minutes of the meeting held on the 11<sup>th</sup> March 2024 were signed as a correct record of that meeting.
3. **To review and provide feedback on the following new applications**

**3.1 [T/00143/24/TPO](#) 55 Minden Close, Chineham, RG24 8TH**  
T1 Oak: Fell and treat stump.

The Chineham Parish Council agreed that the report/s submitted with this application were thorough and extensive in the way that they highlighted all damage to the property and the very limited option the homeowner has in order to deal with this issue.

On that note Cllr. Adams proposed that the Chineham Parish Council does not object to this application and Cllr. Fajardo seconded this.

All Councillor's agreed unanimously and had no objections to this application.

**3.2 [T/00144/24/TPO](#) 54 Minden Close, Chineham, RG24 8TH**  
T3 Oak: Fell and treat stump.

Based upon the documents attached to this application, queries were raised as to who has actually submitted the application on behalf of the home owners of number 54 Minden Close and under what authority, as comments already submitted on the application indicate that the owner of 54 Minden Close, in no uncertain terms, objects to the application.

Documents in this application refer to T3 being the tree requested to fell, but in the adjacent application by number 55 Minden Close, the Tree is being referred to as T1 – both T3 and T1 are shown in a diagram included in the reports as separate tree's, either one of them situated on both sides of the boundary line. This has caused some confusion as there is only one TPO reference number stated on both applications which correlate to the tree on the land owned by 55 Minden Close. Ultimately this raises the question as to how many trees are being requested for felling, if 2 trees', what is the impact of the second tree on the home? If 1 tree, why has an application been made on behalf of 54 Minden Close despite their objections?

Lastly, the date for the subsidence report indicates that it was generated back in August of 2022, this leads us to question the validity of the information in this report at this present time.

Based on the points raised above, the Chineham Parish Council will object to the application at this time pending further clarification on these matters.
