**3. To receive declarations of interest for any of the below applications.**

There were no declarations of interest for any of the below applications.

**4. To review and provide feedback on the following new applications**

**4.1 [24/01955/ADV](#) 12 Chineham Shopping Centre Chineham Hampshire RG24 8BQ**

Display of 4 no. internally illuminated fascia signs and 1 no. internally illuminated projecting sign .

*Looking at the application as presented before us, the Chineham Parish Council does not object to this application. However whilst we are aware seating is not covered within the presented application, the Chineham Parish Council does feel it is prudent to pass comment on the suggested outdoor seating arrangements, as shown within the associated floor plan included within the planning application itself. We note that the two outdoor dining tables directly adjacent to the doorway will pose a restriction to the flow of foot traffic under the archway. It was discussed that the unfortunate complication of cyclists ignoring rules and restrictions on cycling within the Chineham Shopping Centre and the frequent parking of mopeds under the archway, means that the placement of the two tables in question would cause further restrictions due to the constant flow of heavy footfall within the archway. The Chineham Parish Council sees no issues with the other tables shown on the proposed floor plans, but would like it noted that the two tables directly outside the doorway are the ones where we see potential for these issues to arise, due to their close proximity to the brick pillar of the archway itself.*

**4.2 [24/01954/FUL](#) 12 Chineham Shopping Centre Chineham Hampshire RG24 8BQ**

Installation of air conditioning condenser units and extract grilles.
